## PM&R

*The journal of injury, function and rehabilitation*

**EDITOR-IN-CHIEF, Stuart M. Weinstein, MD**, has assembled a distinguished board of **SENIOR EDITORS** and **ASSOCIATE EDITORS** for **PM&R**.

**PM&R** will be a monthly peer-reviewed scholarly publication advancing education and impacting the specialty of physical medicine and rehabilitation through the timely delivery of clinically relevant and evidence-based research and review information. The Journal invites clinicians and researchers to contribute original research and reviews on topics including, but not limited to: acute and chronic musculoskeletal disorders and pain, neurologic conditions involving the central and peripheral nervous systems, rehabilitation of impairments associated with disabilities in adults and children, and neurophysiology and electrodiagnosis.
