

*Declaration of Intention for cooperation  
in the domains of Education, Quality of Care and the field of Competence  
in Physical and Rehabilitation Medicine*

The Section and Board of Physical and Rehabilitation Medicine of the Union of European Medical Specialists (UEMS PRM Section and Board), the European Society of Physical and Rehabilitation Medicine (ESPRM) and the Bulgarian Association of Physical Medicine and Rehabilitation, wish to cooperate in the domains of Education, of Quality of Physical and Rehabilitation Medicine programmes and for defining the Field of competence of PRM in order to further develop the Speciality at a European and National Level.

The Bulgarian Association of Physical Medicine and Rehabilitation is looking forward to work together in preparing E-Books, hosting UEMS Section and Board representatives at their meetings, in having reduced fees for European Board Certified colleagues and in publishing news regarding the UEMS PRM Section and Board in their websites and official journals.

The UEMS PRM Section and Board as well as the European Society of PRM will do their best to promote the Bulgarian Association of Physical Medicine and Rehabilitation by adding a link to the Bulgarian Society's website on a devoted page of their websites [www.euro-prm.org](http://www.euro-prm.org) and [www.esprm.net](http://www.esprm.net), promote the Bulgarian Society's National Congresses and international courses on their European Calendar as well as circulating information about these events to all on their mailing lists, publish links to Bulgarian Association of Physical Medicine and Rehabilitation's recommendations and guidelines related to PRM clinical practice and take these into account when assessing PRM programmes for European Accreditation.

*The declaration is signed during the UEMS PRM S&B meeting and General Assembly of ESPRM in  
Plovdiv, Bulgaria, September 6th, 2019*
